Education:

Master of Finance, McMaster University – DeGroote School of Business
Hamilton, ON

Sep 2025 – Present
GPA: 3.7 / 4.0

Honours Bachelor of Commerce (Finance Specialization), McMaster University
Hamilton, ON

Sep 2020 – Jun 2025
GPA: 3.5 / 4.0

Professional Experience:

Customer Experience Associate | TD Canada Trust
Mississauga, ON

Jul 2026 – Present

- Assist 15-20 clients per shift with deposits, withdrawals, bill payments and account transfers while following internal controls and standardized procedures.
- Complete client identification, verification and AML procedures to mitigate operational and financial crime risk, reviewing transactions and escalating unusual activity in accordance with bank policy.
- Review account information to resolve discrepancies, identify banking needs and connect clients with appropriate specialists.

Financial Analyst Intern | Martinrea International (TSX: MRE)
Vaughan, ON

Jun 2023 – Aug 2024

- Built multi-scenario Excel forecasting models for a \$20M automotive business unit, integrating revenue, COGS, and SG&A assumptions to support annual budget planning and quarterly reforecasting for senior leadership.
- Conducted monthly variance analysis across 15+ cost centers, isolating volume, price, and mix variances that informed pricing adjustments and contributed to a 200 bps margin improvement initiative.
- Designed executive-level Power BI dashboards tracking gross margin, working capital turnover, and operational KPIs, replacing manual Excel reports and reducing monthly reporting cycle time by 15%.

Administrative Assistant | Investrade Company
Manama, Bahrain

Jun 2022 – Sep 2022

- Reconciled financial data across Excel, SAP, and CRM systems, ensuring accuracy and consistency in portfolio reporting.
- Assisted in tracking P&L and performance metrics for a multi-asset investment portfolio, while streamlining reporting processes to improve efficiency by 20%.

Projects & Leadership:

Equity Valuation – Lundin Mining Corporation (TSX: LUN)
Hamilton, ON

Sep 2025 – Oct 2025

- Built a full equity valuation using DCF (WACC-based), DDM, and EV/EBITDA comps; modeled five-year integrated financial statements with commodity price assumptions and sensitivity analyses using Refinitiv and Bloomberg data.
- Presented investment thesis and risk analysis to faculty and industry professionals, defending discount rate, terminal growth, and commodity assumptions under live Q&A.

Strategic Consulting Project – Hamilton Public Library
Hamilton, ON

Jan 2025 – Mar 2025

- Led a data-driven patron engagement analysis identifying retention gaps; developed a strategic recommendation deck with actionable initiatives and presented findings to library leadership across a full consulting engagement cycle.

DeGroote Finance and Investment Council (DFIC)
Hamilton, ON

Sep 2021 – Apr 2023

- Organized stock pitch sessions and finance workshops; attended finance case competitions, developing applied skills in equity research and financial modeling.

Athletics:

Semi-Professional Footballer | North Mississauga SC
Mississauga, ON

2023 – Present
Ontario Premier League

Certifications:

Canadian Securities Course (CSC) | CSI

In Progress | Expected: Sep 2026
